Magic Rainbow Ball

Think logically and puzzle all coloured balls to the ring in the correct color as quickly as possible.

First, you have to make sure that all colours of the Magic Rainbow Ball are shuffled. The colour of the ball cannot be the same as the color of the ring. To move a ball, you have to look for the the opening (the hole where there isn't a ball). You can move the balls that adjoin this opening by pressing them lightly in the direction you want to move them.

Tyrolean Roulette

You play this game on a wooden game board, which has several cutouts, plus 4 corner holes. With the spinning top, you try to move the balls to the spots that give you the most points. Whoever reaches the agreed number of points first, has won!

Contents: game board, 12 colored balls and a top. Dimensions of the game board: 21 x 21 cm.
